The opening screen. Put in your Username (Firstname.Lastname). Your password is "password."

The screenshot shows the GameOfficials.net login page. At the top, the logo reads "GameOfficials.net" with the tagline "FASTER. EASIER. SMARTER." and an image of a football. On the left is a navigation menu with options like Home, Login, New Official?, Schedules, Features, Versions, Compare, Pricing, Comments, USSF Info, and Products. The main content area is titled "Assignment System Login" and contains a form with fields for "Username" (filled with "Beth.Foutch") and "Password" (filled with "*****"). A "Log In" button is below the fields, and a "Forgot Username or Password?" link is below the button. To the right of the form is a circular SSL Certificate Authority logo. Below the form, a message states: "If you do not have an existing login to GameOfficials.net and have received a Group Number and Access Code, please [Click Here to Create a New Account](#)".

This screen is next. Check the box next to "I Agree With These Terms," then click "Continue."

The screenshot shows the "TERMS OF SERVICE" page. The header includes the GameOfficials.net logo and navigation links: Home, Change Identity, Support Forums, KB, and Other Support. The user's name "Stephen Speer [Group 1131]" and "USER: Beth.Foutch" are displayed. The main content area is titled "PAS, LLC Terms of Service for Your Personal Use of GameOfficials.net" and explains that by using PAS services, the user agrees to the terms. A "Printable Version" link is on the right. Below the text is a checkbox labeled "I Agree With These Terms" which is currently unchecked. A "Continue" button is at the bottom center. The footer indicates "Current Version: 2006.0301".

Set up your security questions. Click "Continue."

The screenshot shows the "SECURITY QUESTIONS (Password Reset)" screen. It explains that selecting 3 security questions will allow the user to reset their password. Below this is a table with three rows for questions and their corresponding answer boxes:

Question	Answer
#1 -- Select a Question From The List Below --	<input type="text"/>
#2 -- Select a Question From The List Below --	<input type="text"/>
#3 -- Select a Question From The List Below --	<input type="text"/>

Below the table is a checkbox labeled "I Do Not Want to Complete the Security Questions" with the text "I will contact My Assignor or Group Admin for assistance if I am unable to reset my password in the future". A "Continue" button is at the bottom center.

Next, change your password, then "Save."

The screenshot shows the "Required Password Change" screen. The header includes the GameOfficials.net logo and navigation links. The user's name "Stephen Speer (TU94G) [Group 1131]" and "USER: Beth.Foutch" are displayed. The main content area is titled "Required Password Change" and contains the instruction: "In order to log in to GameOfficials.net, you must select a new password. Enter the password you would like to use to log in to GameOfficials.net". Below this are two input fields: "New Password" and "Confirm Password". A note at the bottom states: "* Choose a password that is easy for you to remember, but hard for other people to guess. The password must be between 4 and 15 characters long and may contain any combination of letters, numbers, 'at' symbols (@), periods (.), underscores (_) and dashes (-)". A "SAVE (Change Password)" button is at the bottom center.

Now you're in. One would think that GameOfficials would automatically send an email about changes to a game to whoever entered the game. It does not. In order to receive emails about game changes, you must enter Contacts for your team.

Under "Group Info" on the left of your screen, click on "Teams" which will take you to the "TEAM INFORMATION" page. At the top of the page, see "Filter Teams By League:" and select "TN United."

Find your team. In the right column, click on "[Add]" and add the contacts for your team. The only information that is absolutely necessary is "First" and "Last" names, "Type" and "Email 1." Make sure you check the "Auto Emails" box beside the email address(es).

Under "Type": List the Team Manager as "Administrator." List the Coach as "Coach." List the Assistant Coach(s) as "Assistant Coach." List Parents or others as "Other." Don't forget to "Save (Modify Contact)."

There is no limit to the number of contacts, so you could add all of your parents if you'd like GameOfficials to send each of them an email whenever changes are made to your games which would save you the trouble of doing it.

If you need to remove a contact, go to the "TEAM INFORMATION" page, find your team, click on the name you need to remove and, at the bottom of the page, check the box next to "Remove this Contact," then "Save (Modify Contact)."

Fill in the “Name.” **Now this is important: *First***, list the the two-character team year and letter, e.g. 02G (for girls) or 99B (for boys). Then list city the team is from or representing – **do not** list BWSC, list Brentwood... **do not** list SRFC, list Smyrna... **do not** list HFC or Harpeth, list Bellevue... **do not** list TUSC, list TN.

Then comes the team name – Premier... Rapids... Hurricanes... United... (If there is **no** team name, then – and only then – list the club, e.g. TNFC. You’ll have an opportunity to list the club later in “Home Association.”).

Third comes the team color (if the club has more than one team of that age group/gender). When you leave the “Name” field, the “Display/Short Name” field will automatically copy the text from the “Name” field. This is fine.

In the “Region” box, enter the Division of the team (“Division 1” “Division 2” “Division 3”). The “Home Association” box is where you’ll enter “TNFC,” “BWSC,” “HFC” and so on, if known. There will be no “Default Location” for a visiting team. Click “SAVE (Add Team).”
